

Corporate Sponsorship

Let Us Connect You To Our Community

The Campbell County Historical and Genealogical Society

When you become a member of our Corporate Sponsorship program you are connected to the members, affiliates and friends of the Campbell County Historical and Genealogical Society throughout Campbell County.

Your gift helps support the educational and preservation activities of the Historical Society with the acquisition of a newer, larger and more accessible location to house our burgeoning collections. As this new venture unfolds, we anticipate extended media coverage of our project, which adds up to increased exposure for your business.

For over 30 years The Campbell County Historical and Genealogical Society has been collecting the history and character of Campbell County. In our collections you will find 1,000's of family histories, almost 14,000 veterans files, the valise that carried the severed head of Pearl Bryan and the largest collection of Speers Hospital instruments.

We are an all volunteer organization and are fully supported by contributions and membership by people just like you. We conduct monthly membership meetings, distribute a well-respected triannual newsletter, sponsor an annual Essay Contest for high school and middle school students, and participate in many County events. Ours is a supportive and involved community with an active Board of Directors, 300 paid members, and 1,900 Facebook followers. Our newsletter and promotions for our events are shared with the entire population of Campbell County as well as kindred organizations throughout Northern Kentucky and Cincinnati.

Program Highlights

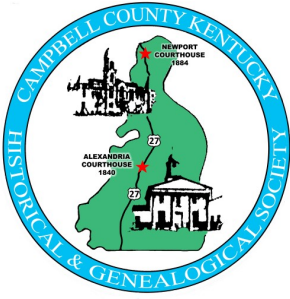

- The Sponsorship year is a calendar year: January 1 through December 31. Sponsorship after October include the end of the current year plus the full 12 months of the following year.
